# Emergency Notification and Information Resources

Check These Out Before an Emergency

Genasys Protect:
Previously ZoneHaven, **check your zone** and write it on your evacuation plan **before an emergency.**
https://protect.genasys.com

CruzAware:
Sign up and make sure your information is current for this emergency and non-emergency alert and warning system. Configure options to receive Text/SMS, Phone calls, and/or emails.
https://cruzaware.genasys.com/portal/en

Watch Duty:
Download the app to receive real-time information on nearby wildfire and firefighting activity.
https://www.watchduty.org/

PulsePoint:
Download the app to receive notifications of current emergency incidents. Select "Zayante Fire Protection District (CA)"
https://www.pulsepoint.org/download

County's Office of Response, Recovery, and Resilience:
For more resources, including everything from evacuation lists to home hardening information to monitoring tools, visit the County's Office of Response, Recovery, and Resilience (OR3) at:
www.santacruzcountyca.gov/OR3.aspx

Emergency Notification and Information Resources

For More Information During an Emergency
